Dear Mr. Weisberg:

This is in reply to your letters of November 23 and 27, 1968.

We are preparing for you copies of all records you request that we have located under the names given in your letters. No copies of the newspaper stories written by Alonzo Hudkins and Joseph Goulden or a report of an interview with Hudkins by Special Agent James W. Russell have been found. No records are filed under the name of the California Rangers.

We will make records of the Commission available to you in our research rooms in order that you can search for additional material relating to names and subjects in which you are interested.

Sincerely,

James B. Rhoads
